Personal contributions

You may make personal contributions to your Sunsuper account if:

- you've supplied your tax file number (TFN) to Sunsuper, and
- you're below 65 years of age, or
- aged 65 years or over but under the age of 75, and have worked in paid employment for 40 hours in a period of not more than 30 consecutive days in the:
 - the current financial year, or
 - the previous financial year if your 'total superannuation balance' was below \$300,000 (as at the last day of the previous financial year) and have applied for an exemption to allow you to make personal contributions for a further 12 months after the end of the previous financial year. This exemption only applies once – if you later return to work, once you stop working again normal rules will apply.

Sunsuper is generally unable to accept personal contributions if you're aged 75 years or older. If you're aged 75 years or over, you're not eligible to make voluntary contributions to your superannuation account unless the contribution is made within 28 days after the end of the month you turned 75 years.

Any personal contributions received which don't meet the above requirements will be refunded by Sunsuper. If your circumstances change and you no longer meet the above requirements please advise Sunsuper in writing to stop your direct debit or contributions will continue to be deducted.

Please note: you are not eligible to make non-concessional (after tax) contributions if your total superannuation balance equals or exceeds \$1,600,000.

Providing your TFN

Under the *Superannuation Industry (Supervision) Act 1993*, your superannuation fund is authorised to collect your TFN, which will only be used for lawful purposes.

These purposes may change in the future as a result of legislative change. The trustee of your superannuation fund may disclose your TFN to another superannuation provider, when your benefits are being transferred, unless you request the trustee of your superannuation fund in writing that your TFN not be disclosed to any other superannuation provider.

It is not an offence not to quote your TFN. However giving your TFN to your superannuation fund will have the following advantages (which may not otherwise apply):

- your superannuation fund will be able to accept all types of contributions to your account/s
- the tax on contributions to your superannuation account/s will not increase
- other than the tax that may ordinarily apply, no additional tax will be deducted when you start drawing down your superannuation benefits, and
- it will make it much easier to trace different superannuation accounts in your name so that you receive all your superannuation benefits when you retire.

Co-contribution

You may be entitled to a government co-contribution if:

- you made voluntary after-tax contributions to a complying super fund or a retirement savings account during the financial year
- your total income¹ was less than \$53,564 for the 2019-20 financial year
- you're under 71 years old at the end of the financial year
- you lodged an income tax return for the financial year
- you've not held a temporary resident visa at any time during the financial year, and
- you earned 10 per cent or more of your total income from running a business if you're self-employed, or from eligible employment², or a combination of both.

The maximum government co-contribution is \$500 for 2019-20. For more information, visit

[sunsuper.com.au/co-contributions](https://www.sunsuper.com.au/co-contributions)

You will not be eligible for co-contributions if:

- your non-concessional contributions exceed the cap for that financial year, or
- your total superannuation balance, as at 30 June of the previous financial year, equals or exceeds \$1,600,000.

For more information about Government co-contributions, visit [sunsuper.com.au/co-contributions](https://www.sunsuper.com.au/co-contributions)

Preservation

Any voluntary contributions you make must be preserved in your account until:

- you retire after reaching your preservation age (55 for people born prior to 1 July 1960 increasing in yearly increments to age 60 for people whose dates of birth range from 1 July 1960 to 1 July 1964)
- you've turned 60 years and stopped employment on or after turning 60 years
- you're totally and permanently disabled
- you're permanently incapacitated
- your death
- you reach age 65, or
- you reach your preservation age and purchase a non-commutable income stream.

You may also be able to apply to access preserved money on compassionate grounds.

Non-concessional (after-tax) contributions cap.

The amount of non-concessional contributions you can make in a financial year without being subject to additional tax is capped, subject to the 'bring forward' rule explained below. The cap for the 2019-20 financial year is \$100,000.

Please contact the Australian Taxation Office (ATO) on **13 10 20** or go to www.ato.gov.au for information about tax, penalties and what to do if you exceed your contribution caps.

Bring forward rule

If you're under age 65 at 1 July of the financial year, you'll be able to 'bring forward' future entitlements to 2 years worth of non-concessional contributions. This means, for example, that a person under age 65 would be able to contribute non-concessional contributions totalling \$300,000 in the 2018-19 financial year without exceeding their non-concessional contribution cap.

If you're aged 65 or over, you'll not be able to 'bring forward' your entitlements to make non-concessional contributions. Accordingly, if you're aged 65 to 74 you'll have a non-concessional contributions cap of \$100,000 for the 2019-20 financial year.

Note: The Federal Government may change the rules and limits detailed on this page at any time.

First Home Buyer Super Saver Scheme

Eligible contributions can also be withdrawn and used towards a first home deposit. Conditions apply, visit [sunsuper.com.au/fhsss](https://www.sunsuper.com.au/fhsss) for more information.

Downsizer Contributions

If you are aged 65 or older you will be able to contribute the proceeds from selling your home as a one-off non-concessional contribution to your super, limited to \$300,000 per person (\$600,000 per couple). This measure applies where the contract of sale was exchanged on or after 1 July 2018, and does not include investment properties, holiday homes, caravans or other mobile homes. These contributions do not count towards the non-concessional contributions cap. For more information visit [sunsuper.com.au/downsizer](https://www.sunsuper.com.au/downsizer)

- When the 20th falls on a weekend or public holiday, the deduction will be processed on the next business day.
- If the deduction is dishonoured three times, this facility will end immediately. A dishonour means the deduction couldn't be made because there isn't enough money in the nominated account or the account number provided is incorrect.
- If your total superannuation benefit is paid from Sunsuper, this deduction facility will end automatically.
- If Sunsuper is advised of a dishonour after your total superannuation benefit is paid out, you're liable to repay the dishonoured amount to Sunsuper.
