

Early release of super due to Permanent Incapacity

How to make a claim

Please return your completed application to: **Sunsuper**
GPO Box 2924
Brisbane Qld 4001

1 Am I eligible?

Permanent Incapacity means you're suffering ill-health (whether physical or mental) and the Trustee of Sunsuper is reasonably satisfied that, because of the ill-health, it's unlikely you'll ever engage in gainful employment for which you're reasonably qualified for, by education, training or experience.

To be eligible for early release of super due to Permanent Incapacity you need to be able to provide proof for the Trustee of Sunsuper to be reasonably satisfied that you meet the criteria.

As a minimum, you'll need to provide a *Medical practitioner certificate (General Practitioner)* and a *Medical practitioner certificate and questionnaire (Specialist)* completed by two different legally qualified medical practitioners, (see **Section 3**). You may be requested to provide additional information before a decision is made about your claim.

2 How much can I claim?

If you're eligible, you'll be able to cash-out your entire balance or choose to make a partial withdrawal. If you only make a partial withdrawal and wish to maintain your insurance cover in your Sunsuper account, you'll need to ensure there is enough money to pay for any future insurance premiums and you will need to make at least one eligible contribution every 12 months or advise us in writing via [sunsuper.com.au/keepmyinsurance](https://www.sunsuper.com.au/keepmyinsurance) that you wish to retain your insurance cover.

If you have insurance cover through your super you may also be able to claim an insurance benefit. You can check your *Annual statement* or contact us for more details or to make a claim.

3 What documents do I need?

You'll need to gather these documents to support your claim.
For more details on these document requirements please read the next page.

- Your current resume to show your work experience.
- Certified copies of identification documents.
- Medical practitioners certificate* complete by your treating General Practitioner (GP).
- Medical practitioners certificate and questionnaire* completed by a Specialist within the field of medicine related to the injury/illness causing your incapacity.
- If requesting a cash deposit into your bank account – a certified copy of bank documents
- If requesting a transfer into a self-managed superannuation fund – see page 2 for more information.
- Any other documents to support your application.

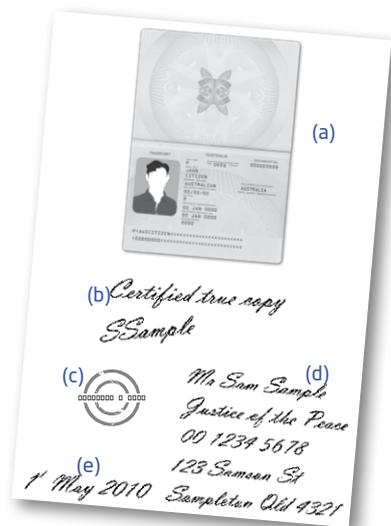

4 How do I apply?

- Prepare your application and send it to us:** Make sure you complete all of the forms attached and gather all of your required certified documents. Completing all the forms correctly will save time and help us process your claim.
- Processing your claim:** We'll check your application is complete and contact you if we need further details. Please note that claims officers don't review medical evidence or make any decisions about your application. They'll act as a liaison between you and the Sunsuper Trustee, and answer any questions you may have during the claim process.
- Payment of your claim:** If your claim is accepted, payment will be made to you by the method you indicate on the application form. You'll also receive a *Member benefit statement* and a *PAYG payment summary – superannuation lump sum* form confirming payments made to you.

Supporting documentation

How your proof of identity document should look

- Copy of the document that identifies you, (i.e. your driver's licence or passport),
- Displays 'Certified true copy of original document' written or stamped and signature of authorised person,
- Authorised person's stamp and registration number (if applicable),
- Name, qualification, phone number and address of authorised person, and
- Date of authorisation.

Important notes on identification:

- We reserve the right to request additional information to verify your identity before paying your claim.
- We cannot accept documents which have expired.** If an expired document is received, we will not be able to process your claim until suitable identification has been provided.
- If you're providing a document that's not in English, you also need to provide an English translation prepared by an accredited translator. For further information on this, please call us on 13 11 84.
- If signing on behalf of the member, we require certified copies of Guardianship papers or proof of Power of Attorney.

What do we mean by certified?

We understand you'll want to provide us with copies of your ID documents rather than the originals. That's fine, but you must have them 'certified' within the last 12 months. This means the certifier must:

- Sight the original and the copy to make sure both documents are identical, and
- Write or stamp 'certified true copy of original document' on each page of the copy, and
- Sign and print their name, qualification (e.g. Justice of the Peace, Australia Post employee), and the date on each page of the document. They should also include their stamp and/or registration number (if applicable).

Who can certify?

- Justice of the Peace (including Commissioner for Declarations)
- Police Officer
- One of the following with 2 or more years of continuous service:
 - Australia Post permanent employee
 - Financial Institution Officer e.g. bank employee
 - Australian Financial Services Licensee, authorised representative or officer.

For a full list of who can certify, please visit sunsuper.com.au/id.

What is an acceptable identification document?

To verify your identity please attach a certified copy of:

- Your current driver's licence or current passport or current national identity card that contains your photo, name and **EITHER** residential address **OR** date of birth (please copy and certify both front and back sections if relevant), **OR**
- Your birth certificate, Australian birth extract, Citizenship certificate **OR** current Centrelink pension card **AND** a current rates, electricity **OR** gas notice (no more than 3 months old) **OR** assessment from the Australian Taxation Office (no more than 12 months old) showing your name and current residential address.

Note: You can also give your consent to Sunsuper to use Equifax to verify your identity electronically when your identification documents may not be sufficient for us to process your request.

Have you changed your name?

If you've changed your name and you haven't previously let us know, you'll need to provide a certified copy of your *marriage certificate* or *change of name certificate* (must be obtained from the Births, Deaths and Marriages Registration office or relevant government source from the issuing country), *deed poll*, *decree nisi*, *Decree Absolute (Divorce Certificate)*, *Divorce Order* or other document satisfactory to us (linking document).

Proof of Permanent Incapacity

We've included a *Medical practitioners certificate (General Practitioner)* and a *Medical practitioners certificate and questionnaire (Specialist)* at the end of this form. You'll need to have these completed by two different legally qualified medical practitioners, (one General Practitioner and one Specialist,) confirming that you're permanently incapacitated. They'll need to confirm that in their opinion, because of your ill-health, it's unlikely you'll ever engage in gainful employment for which you're reasonably qualified for, by education, training or experience. Any charges relating to the completion of these *Medical practitioners certificates* will be your responsibility.

Bank documents

If you select to receive a cash payment into your bank account you need to include your bank documents. To do this, we require you to provide either an original bank document (e.g. statement

from a bank or online statement) or a certified copy of a bank document. These documents must be current and no more than 12 months old and show your BSB, account number and account name.

Transferring to another super fund – do I need further documents?

The details you provide (including your TFN) will be matched with the ATO's Super TIC service. If we're unable to match your details, or you are transferring to a self-managed super fund, you'll be asked to provide a certified proof of identity document to verify your identity.

Transferring to a self-managed super fund (SMSF)?

Under superannuation legislation, we can only transfer balances to a SMSF if you (or your company) is a Trustee of that fund. You'll also need to provide proof of identity documents detailed on this page:

We'll check with the ATO that the SMSF is complying. If we're unable to, you'll need to provide evidence* that:

- The SMSF is complying. Please provide the SMSF's ABN (ACN, TFN or Fund name only won't verify complying status),

AND:

- You are a Trustee of the SMSF. We'll verify this on the ATO Business Portal. To help us, you'll need to ensure you're listed as a Trustee of the SMSF on the ATO Business Portal.

You can contact the ATO to confirm your Trustee status is listed on the ATO Business Portal. If you're not listed, you'll need to update them regarding the membership details of your SMSF.

For more information on how to update your status you can call the ATO on 13 10 20 between 8am and 6pm, Monday to Friday or visit www.ato.gov.au.

*Please note that we reserve the right to request additional information before processing any transfers to SMSFs. We may also contact you by telephone to confirm the details of this transfer request. Our information requirements for these payments reflect the unique regulations and risks pertaining to SMSFs, as well as the Sunsuper Trustee's obligation to ensure that transfers to these funds are compliant.

Please note:

The Trustee can only assess your Permanent Incapacity claim based on the information you provide. Please read this information page before completing the *Early release of super due to Permanent Incapacity* form.

Refer to the **Proof of identity requirements at sunsuper.com.au/id** for further details.

Please keep these important information pages for your records.

Tax file number (TFN) details

If you're not sure if we have your TFN you can add it below. You don't have to provide your TFN, however if we don't have your TFN, you may pay more tax than you need to. Before you supply your TFN, please read the TFN section on page 2 of the *Important information* pages. If we do have your TFN you don't need to provide it again.

My TFN

Providing your tax file number (TFN)

Under the *Superannuation Industry (Supervision) Act 1993*, your superannuation fund is authorised to collect your TFN, which will only be used for lawful purposes.

These purposes may change in the future as a result of legislative change. The trustee of your superannuation fund may disclose your TFN to another superannuation provider, when your benefits are being transferred, unless you request the trustee of your superannuation fund in writing that your TFN not be disclosed to any other superannuation provider.

It is not an offence not to quote your TFN. However giving your TFN to your superannuation fund will have the following advantages (which may not otherwise apply):

- your superannuation fund will be able to accept all types of contributions to your account/s;
- the tax on contributions to your superannuation account/s will not increase;
- other than the tax that may ordinarily apply, no additional tax will be deducted when you start drawing down your superannuation benefits; and
- it will make it much easier to trace different superannuation accounts in your name so that you receive all your superannuation benefits when you retire.

3 Your payment amount

Are you withdrawing all or just part of your money?

Total lump sum (I'd like to transfer my total account balance). You should be aware of the effect this may have on your insurance cover (if any).

Partial (I'd like to transfer part of my account balance).

Please pay me the amount of

OR

Please pay me a percentage of

If you nominate a percentage, it's important to understand that your balance changes daily due to unit pricing. As a result, the amount you receive may not be the amount you're expecting.

Note: If you select Partial, and are transferring part of your money to another super fund, we will not process a rollover that will result in a balance of less than \$6,000 at the time of processing. If you also want to maintain your insurance cover in your Sunsuper account, you'll need to ensure there is enough money to pay for any future insurance premiums and continue to make regular contributions.

Important

Your account balance is calculated by multiplying the number of units you have in each investment option by the unit price for each option. As the prices are calculated on a daily basis, the amount withdrawn from your Sunsuper account may be different to previous supplied balance estimates.

4 Method of payment

Where would you like your money paid to? You can elect to receive the whole amount through one single payment, or split the withdrawal across the different methods of payment. Please indicate the method of payment and what amount you'd like to receive through each. If you'd like to receive the whole amount in the one payment please write "total" in the corresponding box.

7 Confirming your identity

Before you're able to withdraw money from your super account, by law, Sunsuper needs to verify your identity. This is why we request that you provide us with a certified copy of your driver's license or passport. In some cases, identification documents may not be sufficient for us to process your request, for example, if they have not been correctly certified. This can result in delays in processing your payment while we contact you for further information.

With your consent, Sunsuper can use Equifax IDMatrix to verify your identity electronically. This program uses data held in places such as the Electoral roll, White pages, Department of Transport, the Passport Office, and Equifax credit information files to verify your details.

As part of the electronic verification process, your document details (for example, your driver's licence number) will be submitted to the Australian Government's Document Verification Service (DVS). The DVS is a national online system that allows organisations to compare a customer's identification with a government record. More information about the DVS is available on their website www.dvs.gov.au

By checking this box, I consent to my identity being verified electronically. I acknowledge that the document details I provide as evidence of my identity will be checked with the relevant body. This includes consent for the personal information you have provided, such as name, date of birth and residential address, to be verified against personal information contained in your credit information file. Note that Sunsuper will not access your credit related information such as credit card and loan applications.

If you don't want us to be able to verify your identity electronically if required, that's fine too. Make sure you read the information at sunsuper.com.au/id for acceptable identification documents and certification requirements.
