My TFN

Look for other super for me

By ticking this box, you consent to Sunsuper using the Australian Taxation Office (ATO) SuperMatch service to use your TFN to search for any other super you may have. This super may be with other super funds or held with the ATO. If we find money with the ATO, this will normally be transferred automatically into your Sunsuper account. If we find money with other super funds you'll have the choice of whether you transfer this or not. To help keep track of your super, we'll also conduct an ongoing annual search on your behalf. If at any time you wish to revoke your consent, please contact Sunsuper on 13 11 84.

Turn over to learn how you can avoid extra tax by providing your TFN. If you don't provide your TFN, or the other fund is unable to match your details with the ATO, you may be asked for further documentation to verify your identity.

4 Other super account(s) that you want to combine with Sunsuper

Before you make a decision to combine your super, you should think about a few things. While combining your super into a single account in one fund may mean you pay less in fees and have less paperwork to deal with, it will also mean that any insurance cover you have in your old fund will stop. You should check whether you have insurance cover in that fund and consider whether you need that cover before making a decision to combine your super. You should also consider where your future employer contributions will be paid. You should also compare the other features of your old fund with Sunsuper before making a decision. Visit [sunsuper.com.au/compare](https://www.sunsuper.com.au/compare)

Do you have insurance cover with your other fund? You can transfer your cover to Sunsuper before you combine your super. Just complete a *Transfer of insurance cover* form available at [sunsuper.com.au/forms](https://www.sunsuper.com.au/forms). You should not cancel your existing cover until you have received confirmation that your transfer request has been accepted by Sunsuper.

Important information

Your Privacy – Personal Information Collection Notice

The purpose for which Sunsuper is collecting the information on this form is to provide superannuation benefits and related services for you. This includes processing your application, managing your participation in Sunsuper and ensuring you receive your entitlements. If the information requested is not provided, Sunsuper may be unable to properly administer your benefits and notify you about your entitlements. Sunsuper will normally only use the information you provide on this form for these purposes.

Sunsuper will also use this information to notify you about Sunsuper and other products. Sunsuper does not normally disclose information about members to parties outside the Sunsuper group, except parties contracted to provide services to Sunsuper. This includes but is not limited to the Fund's administration service provider, insurer, auditors and legal advisers.

If you subsequently make a claim for a disablement benefit, the insurer will disclose information about you to medical practitioners and other experts for the purposes of assessing your claim, and may collect information about your disability from these people or from your employer.

Sunsuper also might be required by law to disclose information about you, for example to government bodies such as the Australian Taxation Office and we may disclose information to relevant overseas bodies in various countries, as described in our *Privacy Policy*.

Our *Privacy Policy* sets out how you can access information about your benefit and personal details, correct any information which is inaccurate or out-of-date and information on our privacy complaint process.

We are committed to respecting the privacy of personal information you give us. If you would like a copy of Sunsuper's Privacy Policy, visit [sunsuper.com.au/privacy](https://www.sunsuper.com.au/privacy) or contact us.

Transfers from New Zealand

Sunsuper does not accept transfers from New Zealand KiwiSaver accounts or rollovers that contain a KiwiSaver component, from an Australian super fund.

Providing your Tax file number (TFN)

Under the *Superannuation Industry (Supervision) Act 1993*, your superannuation fund is authorised to collect, use and disclose your tax file number.

The trustee of your superannuation fund may disclose your tax file number to another superannuation provider, when your benefits are being transferred, unless you request the trustee of your superannuation fund in writing that your tax file number not be disclosed to any other superannuation provider.

Declining to quote your tax file number to the trustee of your superannuation fund is not an offence. However giving your tax file number to your superannuation fund will have the following advantages:

- your superannuation fund will be able to accept all permitted types of contributions to your account/s,
- other than the tax that may ordinarily apply, you will not pay more tax than you need to - this affects both contributions to your superannuation and benefit payments when you start drawing down your superannuation benefits, and
- it will make it much easier to find different superannuation accounts in your name so that you receive all your superannuation benefits when you retire.
