Why Sunsuper?

Sunsuper is Australia's fastest-growing top 10 super fund, and we're proud to look after over \$56.5 billion in retirement savings of more than one million members.¹ As a profit-for-members fund, Sunsuper exists purely to benefit our members, enabling us to direct all profits back to members through enhanced products and services.

The benefits of being with
Sunsuper, your employer's
default super fund.

Low administration fees

Our administration fees are among the lowest in the industry, which is great news for you since the less you pay in fees on your super account, the more money you'll have to live your retirement dreams.

Flexible insurance cover

Sunsuper provides access to flexible Death and Total & Permanent Disability insurance cover to keep you, or those close to you protected if something unfortunate were to happen.

If eligible you'll automatically be provided with standard Death and Total & Permanent Disability cover, along with the option to take out Income Protection cover or to tailor your cover to meet your needs.

Strong investment performance

As a Sunsuper member you'll take advantage of investments that deliver solid, competitive, long-term returns. Sunsuper's Balanced investment option has outperformed the industry average over 1, 3, 5, 7, and 10 years.³

We offer a broad range of investment options, so you can choose an investment to suit your circumstances, life stage and dreams for the future. Or, leave it to us.

Expert advice

There's no 'one size fits all' with super. Our financial advisers⁴ can help with questions about your Sunsuper account over the phone, at no additional cost.

Great discounts with Dream Rewards

The discount program exclusive to Sunsuper members, helping you to save on everyday expenses and little luxuries. We've partnered with companies across Australia to give members access to great deals and discounts.⁵

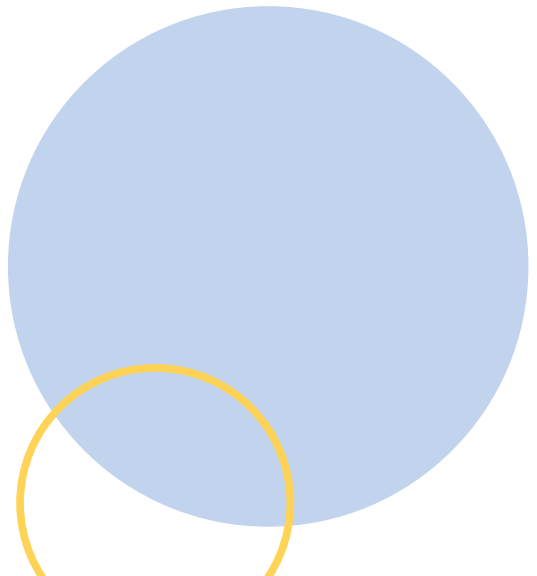

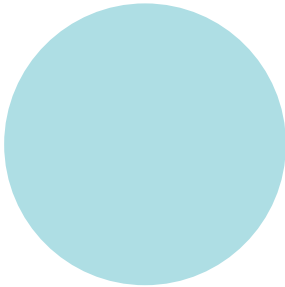

How do you join?

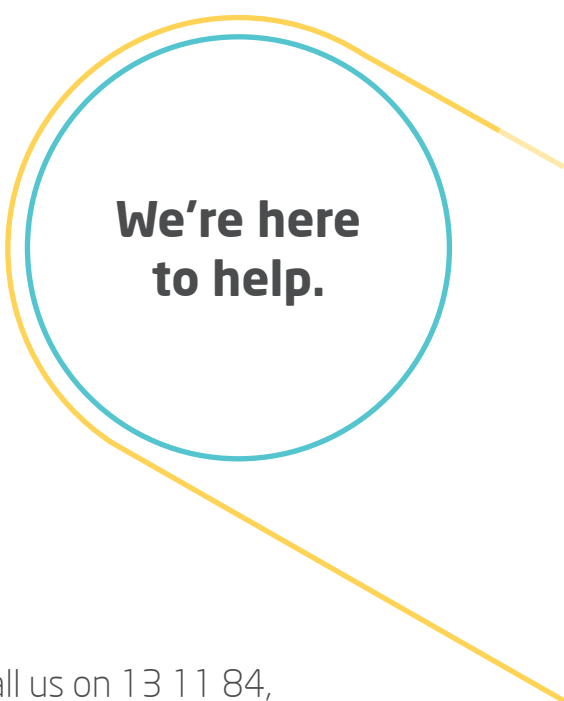

If you've **just joined** your employer, you don't need to do anything.

If you've **previously nominated another super fund**, just let your payroll know that you'd like your future contributions to be paid to Sunsuper.

After your employer pays your first super contribution to us we'll set up your account and confirm your insurance cover in your *Welcome letter*.
