

# How you can make your dreams possible, tomorrow.

## We're proud that your employer has chosen Sunsuper as their default superannuation fund.

As a members-first fund, we know that your super is one of your biggest financial assets. We also know that feeling on top of your future starts with being on top of your super. We've created this handy employee handbook to help you take charge of your super. Whether you're just starting a new job, want to get your super on track, or are planning on retiring soon, this handbook has the tips you need to take charge of your super today.

### Choose a fund that works for you, not shareholders

At Sunsuper, we're focused on you, so your retirement dreams aren't a promise. They're our purpose. We know that choosing the right super fund can make a big difference to your super balance when you retire. Find out [why Sunsuper could be right for you](#) or see how [Sunsuper compares](#) to your current super fund.

### Want to become a Sunsuper member?

Clicking the [Join Sunsuper](#) button below opens an email you can fill out and send to your employer to let them know you'd like them to open a *Sunsuper for life* account for you.

Alternatively, you can print and fill out the [Selecting Sunsuper form](#) and return it to your employer.

Before you join, make sure you carefully consider if Sunsuper is the right fund for you. We encourage you to read the *Sunsuper for life Product Disclosure Statement (PDS)* and guides which contain the full details of the Plan, including how we invest your money and what your investment and insurance options are.

Recently, Sunsuper and QSuper signed a Heads of Agreement to merge and create a \$200 billion superannuation fund with two million members. To learn more, visit our [website](#).
