We've selected Sunsuper as our default super fund

Hi team,

We've recently chosen Sunsuper as our default superannuation fund. This means new employees who don't select a super fund will automatically have their super paid into a Sunsuper for life account.

To find out more about the benefits offered by Sunsuper, including tips on how you can take charge of your super, please read the attached Employee flyer.

If you decide you'd like to have your future super contributions paid to Sunsuper, please either use the email link in the Employee flyer or complete the attached *Selecting Sunsuper* form and return it to us.

Thank you,
