

Board announcement

Paul Lahiff has retired from the Sunsuper Board effective from April 28, 2016.

Sunsuper's chair, Ben Swan, thanked Mr Lahiff for his outstanding service to Sunsuper during his term.

"Paul has been an exceptional director making a substantial contribution to the company's strong governance framework and working tirelessly in members' best interests throughout his tenure," Mr Swan said.

"He added great value to the Sunsuper Board and his extensive experience and sage advice will be sorely missed. We wish him all the very best," he said.

Mr Lahiff's replacement to the Sunsuper board, a nominee of shareholder CCIQ, is expected to be made very shortly.
