

## **Sunsuper recognised at Chant West Awards**

Sunsuper was last night awarded 'Best Fund: Integrity' and 'Corporate Solutions Fund of the Year' at Chant West's Super Fund Awards in Sydney, recognising excellence in the super industry.

The 'Best Fund: Integrity' award recognises the super fund that is doing the right thing by their members. The award acknowledges that we've found the right balance between offering lower fees and premiums while continuing to provide benefits and services that members really need, including quality investment and insurance products, financial advice and effective member engagement. The Integrity Award also has a strong focus on disclosure and doing the right thing by telling members what they really need to know, in a way they can understand.

The 'Corporate Solutions Fund of the Year' award acknowledges the super fund that is working in the best interests of their corporate plan members, including by harnessing economies of scale.

Sunsuper's Chief Executive Officer, Scott Hartley, said it was an honour for Sunsuper to accept these two awards and highlighted the Fund's commitment to its members.

"These are two great awards for Sunsuper to win as they really highlight our ongoing commitment to inspire and empower our members to fulfil their retirement dreams," said Mr Hartley.

"At Sunsuper, every interaction with our members is driven by our desire to help them achieve financial freedom, and these awards are evidence of that.

"It's also extremely rewarding to be acknowledged for both the work we're doing for our members, as well as for our efforts with our employer clients. It really shows that as a profit-for-members fund, our members and clients at Sunsuper are at the heart of everything we do.

"These awards are also a testament to our staff and the amazing work they do every day to help make our members dreams more than dreams in retirement."

Sunsuper was a finalist in the following categories: Super Fund of the Year, Pension Fund of the Year, Corporate Solutions Fund of the Year, Best Fund: Investments, Best Fund: Integrity, Best Fund: Innovation and Best Fund: Member Services.
