Independent Auditor's Report to the members of Sunsuper Pty Ltd

Opinion

We have audited the financial report of Sunsuper Pty Ltd (the "Company") which comprises the statement of financial position as at 30 June 2020, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and the directors' declaration.

In our opinion, the accompanying financial report of the Company is in accordance with the *Corporations Act 2001*, including:

- (i) giving a true and fair view of the Company's financial position as at 30 June 2020 and of its financial performance for the year then ended; and
- (ii) complying with Australian Accounting Standards and the *Corporations Regulations 2001*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The directors are responsible for the other information. The other information comprises the directors' report for the year ended 30 June 2020, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Liability limited by a scheme approved under Professional Standards Legislation.

Member of Deloitte Asia Pacific Limited and the Deloitte organisation.

Responsibilities of the Directors for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

SUNSUPER PTY LTD
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2020

1. GENERAL INFORMATION

The Company is a proprietary limited company, incorporated and operating in Australia. Its registered office and principal place of business is:

Sunsuper Building
Level 5
30 Little Cribb Street
Milton Queensland 4064

The Company's principal activity is to act as Trustee of the Fund, the Trust and SIT3.

The income and property of the Company must be applied by the Company for the purpose of carrying out its principal activity and must not be distributed to the members of the Company.

2. APPLICATION OF NEW AND REVISED ACCOUNTING STANDARDS

Amendments to AASBs and the new Interpretation that are mandatorily effective for the current year

The following new and revised Standards and Interpretations have been adopted in these financial statements. Their adoption has not had any significant impact on the amounts reported in these financial statements but may affect the accounting for future transactions or arrangements.

AASB 16	Leases
AASB Interpretation 22	Foreign Currency Transactions and Advanced Consideration

Application of AASB 16 Leases

AASB 16 'Leases' introduces new or amended requirements with respect to lease accounting and became effective for annual periods beginning on or after 1 January 2019. The Company does not have any leases in place or any contracts which could be termed as a lease.

Application of AASB Interpretation 22 Foreign Currency Transactions and Advanced Consideration

AASB Interpretation 22 'Foreign Currency Transactions and Advanced Consideration' applies to foreign currency transactions when an entity recognises a non-monetary asset or liabilities arising from the payment or receipt of advance consideration before the entity recognises the related asset or liability. The Company does not have any foreign currency transactions resulting in recognition of non-monetary assets or liabilities.

SUNSUPER PTY LTD
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2020

2. APPLICATION OF NEW AND REVISED ACCOUNTING STANDARDS (CONT.)

Standards and Interpretations in issue not yet adopted

A number of Australian Accounting Standards and Interpretations are in issue but are not effective for the current year end. The reported results and position of the Company will not change on adoption of some of these pronouncements as they do not result in any changes to the Company's existing accounting policies. Adoption may, however, result in changes to information currently disclosed in the financial statements. The Company does not intend to adopt any of these pronouncements before their effective dates. At the date of authorisation of the financial statements, the Standards and Interpretations which were in issue but not yet effective, and are relevant to the Company, are listed below.

Standard/Interpretation	Effective for annual reporting periods beginning on or after	Expected to be initially applied in the financial year ending
AASB 2018-7 'Amendments to Australian Accounting Standards - Definition of Material'	1 January 2020	30 June 2021

The initial application of the Standards and Interpretations issued but not yet effective will not have a material impact on the Company's financial statements. Management's assessment of the impact is as detailed below:

AASB 2018-7 'Amendments to Australian Accounting Standards - Definition of Material'

The Standard is effective for periods beginning 1 January 2020. The Standard is not expected to have a material impact on the Company, as the Company already adopts a detailed and transparent approach to disclosure of material information.

3. SIGNIFICANT ACCOUNTING POLICIES

Statement of compliance

The financial statements are general purpose financial statements which have been prepared in accordance with the Corporations Act 2001, Accounting Standards and Interpretations and comply with other requirements of the law.

Accounting Standards include Australian Accounting Standards. Compliance with Australian Accounting Standards ensures that the financial statements and notes of the Company comply with International Financial Reporting Standards (IFRS).

The company is a for-profit entity.

The financial statements were authorised for issue by the directors on 29 September 2020.

Basis of preparation

The financial statements have been prepared in accordance with the historical cost convention, except for the valuation of assets as noted. Historical cost is generally based on fair values of the consideration given in exchange for assets. All amounts are presented in Australian dollars.

SUNSUPER PTY LTD
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2020

3. SIGNIFICANT ACCOUNTING POLICIES (CONT.)

Critical accounting judgments and key sources of estimation uncertainty

In the application of the Company's accounting policies, the Directors are required to make judgments, estimates and assumptions about carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

The following significant accounting policies have been adopted in the preparation and presentation of the financial statements:

(a) Goods and services tax

Revenue, expenses and assets of the Company are recognised net of goods and services tax (GST), except in circumstances that GST is not recoverable from the Australian Taxation Office. In such case, the GST amount is recognised as part of the cost of acquisition of assets, or as part of an expense item. Receivables and payables recognised are inclusive of GST. The amount of GST recoverable from, or payable to, the Australian Taxation Office is included as a current asset or liability. Cash flow items in the Statement of Cash Flows are inclusive of GST. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the Australian Taxation Office is classified as operating cash flows.

(b) Trustee obligations

The Company acts solely as trustee of the Fund, the Trust and SIT3. These financial statements have been prepared for the Trustee Company and as such do not account for the assets and liabilities of the Fund, Trust and SIT3. These liabilities are not brought to account in the Statement of Financial Position as it is not considered probable that the Company will be called upon to meet these liabilities, rather they will be met from the assets of the Fund, Trust and SIT3 respectively. Details of the Fund, Trust and SIT3 liabilities incurred by the Company, in its capacity as Trustee of these entities, are disclosed in Note 15.

(c) Comparative amounts

Certain reclassifications have been made to the prior year's financial statements to enhance comparability with the current year's financial statements. As a result, certain line items in the notes to the financial statements have been amended. Comparative figures have been adjusted to conform to the current year's presentation.

(d) Going Concern

The financial report has been prepared on a going concern basis, which contemplates the continuation of normal business operations and the realisation of assets and settlement of liabilities in the normal course of business. In making this assessment, the directors of the company have considered future events and conditions for the period of twelve months following the approval of these financial statements, including the impact of the outbreak of COVID-19 which was declared by the World Health Organisation as a "Global Pandemic" on 11 March 2020. Whilst the situation remains uncertain, the directors remain confident that the Company will be able to continue as a going concern as the Company's assets significantly outweigh its liabilities and it has sufficient liquidity to meet its debts as and when they fall due.

SUNSUPER PTY LTD
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2020

4. REVENUE

	2020	2019
	\$	\$
Trustee service fee over time	1,803,592	1,728,892
Interest income	1,372	2,299
	<u>1,804,964</u>	<u>1,731,191</u>

In recognising revenue, the Company has determined that the provision of trustee services is service that is a performance obligation satisfied over time. The basis of measurement is the costs incurred within the relevant reporting period.

5. EXPENSES

Profit before tax includes the following specific expenses:

	2020	2019
	\$	\$
Director remuneration and benefits	1,142,796	1,116,984
General administration expenses	172,530	297,110
Professional fees	148,100	89,721
Conference and training expenses	46,883	32,806
Other expenses	290,701	191,347
	<u>1,801,010</u>	<u>1,727,968</u>

SUNSUPER PTY LTD
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2020

6. INCOME TAX EXPENSE

Income tax expense for the year comprises current and deferred tax recognised in the Statement of Profit or Loss and Other Comprehensive Income.

Current tax

Current tax is the expected income tax payable or recoverable on the taxable profit or loss for the year using tax rates and tax laws enacted or substantively enacted at balance date, and any adjustment to tax payable in respect to previous years. Current tax is recognised as a liability (or asset) to the extent that it is unpaid (or refundable).

Deferred tax

Deferred tax is accounted for using the comprehensive balance sheet liability method, providing for temporary differences arising from differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amount for taxation purposes. The amount of deferred tax provided is based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted or substantively enacted at balance date. In principle, deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which deductible temporary differences or unused tax losses and tax offsets can be utilised. Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the entity intends to settle its current tax assets and liabilities on a net basis.

(a) Income tax recognised in profit

	2020	2019
	\$	\$
Tax expense comprises:		
Current tax expense	969	3,536
Deferred tax income relating to the origination and reversal of temporary differences	2,985	(129)
Benefits from tax losses	-	(184)
Total income tax expense	<u>3,954</u>	<u>3,223</u>

The prima facie income tax expense on pre-tax accounting profit from operations reconciles to the income tax expense in the financial statements as follows:

Profit before income tax expense	<u>3,954</u>	<u>3,223</u>
Income tax expense calculated at 30%	1,187	967
Non-deductible expenses	2,767	2,256
Total income tax expense	<u>3,954</u>	<u>3,223</u>

SUNSUPER PTY LTD
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2020

6. INCOME TAX EXPENSE (CONT.)

The tax rate used in the above reconciliation is the corporate tax rate of 30% payable by Australian corporate entities on taxable profits under Australian tax law. There has been no change in the corporate tax rate when compared with the previous reporting period.

(b) Deferred tax balances

	2020	2019
	\$	\$
Unbilled revenue	3,496	8,403
Payables and accruals	(3,196)	(8,540)
	<hr/>	<hr/>
Total deferred tax asset/ (liability)	(300)	137

Unbilled revenue represents recoverable costs incurred by the Company which are yet to be billed. However, these are a temporary tax difference.

7. CURRENT ASSETS - RECEIVABLES

	2020	2019
	\$	\$
Receivable from related party	99,197	95,006
Unbilled revenue accrual	11,654	28,010
Interest receivable	89	167
	<hr/>	<hr/>
	110,940	123,183

Trade and other receivables are stated at their amortised cost of the outstanding balance. During the financial year, the Company experienced a significant event and has maintained its liquidity as expected due to regular stress testing.

At each period end, management reviews the provision matrix for expected credit losses on receivables. This forms the basis of impairment assessment. In management's opinion, a provision is not deemed necessary as there are no material expected credit losses to occur as receivables from the Fund account for a majority of the Company's receivables. The Fund regularly conducts extensive stress testing on its portfolio to manage its liquidity risk during significant market events which have high levels of market volatility. During the financial year the Fund continued to maintain adequate liquidity levels and is expected to maintain these levels.

Unbilled revenue represents trustee service fees costs incurred by the Company; these fees are yet to be billed.

Net goods and services tax payable	9,622	24,546
	<u>406,718</u>	<u>325,870</u>

Trade and other payables are stated at amortised cost of the outstanding balance. These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year and which are unpaid. The amounts are unsecured and are usually paid within 30 days of purchase of goods and services.

9. REMUNERATION OF AUDITORS

The share capital of the Company is divided into the classes shown above and ordinary shares. All issued shares are fully paid. No ordinary shares have been issued.

Each of the shares has the right to appoint and remove one director. Apart from this, all shares carry the same rights. Neither the directors, nor the Company in general meeting, have the power to declare dividends.

Details on the ownership of the shares issued by the Company as at the reporting date are disclosed in Note 13. There has been no movement in issued capital in the current financial year.

Franking account

The franking account balance of the Company is \$50,912 (2019: \$51,750).

(b) Compensation and evaluation of key management personnel

Evaluation of the Board and Executives

The Board has implemented a process for the periodic review and evaluation of its performance and the performance of its committees, individual directors and key management personnel.

The Board in conjunction with the Nominations and Remuneration Committee and the Chief Executive Officer, is responsible for approving the performance objectives and measures for key management personnel and providing input into the evaluation of performance against these objectives.

Performance evaluations for the financial year ended 30 June 2020 have been conducted in accordance with the approved process.

Remuneration of Directors and Executives

Director remuneration consists of Board and committee fees and superannuation guarantee contributions. Reasonable expenses are also reimbursed. The fees reflect the demands on and responsibilities of those directors. Director remuneration was paid by the Company.

For the 2021 financial year, the Board has agreed to a 10% reduction in Director's fees for the first six months between 1st July 2020 to 31st December 2020.

Executive remuneration comprises salaries, superannuation guarantee contributions, short-term incentive bonuses and the reimbursement of reasonable expenses. The Board in conjunction with the Nominations and Remuneration Committee and Chief Executive Officer, is responsible for determining the remuneration of key management personnel. The Nominations and Remuneration Committee reviews the Chief Executive Officer's remuneration. The Committee makes recommendations to the Board for its approval.

For the 2020 financial year, Executives decided to forfeit their incentive payments in acknowledgement of the effect COVID-19 had on the Fund. They will receive existing deferral payments payable for the 2019 financial year.

Director and Executives, including the Chief Executive Officer's, is reviewed at least annually. Remuneration levels are benchmarked against independent external sources. The Directors and Executives are paid in accordance with Remuneration Policies. In the case of directors, fees may be paid to the Director, paid to the employer of the Director or salary sacrificed as superannuation contributions. The Executives' compensation was paid by the Fund or its subsidiaries.

13. RELATED PARTIES (CONT.)

The Board of Directors of the Company has equal numbers of employer nominated, employee nominated and independent directors. According to the Constitution of the Company, there are six shares on issue. With the exception of independent directors, each share has the right to appoint one director (Note 10). Independent directors are appointed and removed in accordance with the Constitution. The shares in the Company, and therefore the right to nominate directors are owned as follows:

Chamber of Commerce & Industry Queensland	3
Queensland Council of Unions	2
The Australian Workers' Union of Employees, Queensland	1

The Company and Fund have entered into transactions with these bodies which include the receipt of superannuation contributions and other minor transactions such as membership subscriptions and seminar registrations. These transactions are conducted under normal terms and conditions.

In addition to the items referred to previously, the following is a summary of more significant transactions of the Company and the Fund with these related entities.

14. FINANCIAL INSTRUMENTS

(a) Financial risk management objectives

The Company is exposed to a variety of financial risks as a result of its activities. These risks include credit risk, liquidity risk and capital management risk including cash flow and interest rate risk. The Company's policies seek to minimise the potential adverse effects of these risks on the Company's financial performance.

(b) Credit risk management

A Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company.

Trade receivables represent the most significant source of credit risk. Ongoing evaluation is performed on the collectability of the receivable and, where appropriate, the carrying amount of the receivable is adjusted to include an allowance for doubtful debts.

The Company does not have any significant credit risk exposure to any single counterparty, or any group of counterparties having similar characteristics, with the exception of the Fund and the Trust, both related parties (refer Note 13).

The credit risk on liquid funds is limited because the counterparty is a bank with a high credit-rating assigned by international credit-rating agencies.

(c) Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the Board of Directors, who have built an appropriate liquidity risk management framework for the management of the Company's short and medium-term funding and liquidity management requirements.

(d) Capital risk management

The Company manages its capital to ensure that it will be able to continue as a going concern.

The capital structure of the Company consists of cash and cash equivalents and equity attributable to shareholders, comprising issued capital (Note 10) and retained earnings.

14. FINANCIAL INSTRUMENTS (CONT.)

Operational Risk Financial Requirement (ORFR)

The Company, in its capacity as Trustee for the Fund and the Trust, is required to maintain adequate financial resources to address losses arising from operational risks that may affect its business operations. The operational risk financial requirement (ORFR) is the target amount of financial resources that the Company determines is necessary to respond to these losses.

The Company set an ORFR target amount at 0.25% of the Fund net assets plus 0.10% of the Trust net assets. The entire ORFR balance requirement is held within the Fund.

The Company may call upon the resources held to meet the ORFR target amount to make a payment to address an operational risk. This may materialise and be caused by one or more beneficiaries in the Fund or in the Trust to sustain a loss, or to be deprived of a gain, to which they otherwise would have been entitled, in relation to their benefits in the Fund or in the Trust.

Interest rate risk exposures

The Company's activities expose it to the financial risk of changes in interest rates. Floating rate instruments expose the Company to cash flow risk. The Company has no direct exposure to interest rate risk for any financial liabilities. The Company's exposure to interest rate risk is set out in the following table:

30 June 2020	Weighted Average	Floating interest	Non-interest bearing	Total

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2020

16. ECONOMIC DEPENDENCY

The Company relies on the Fund, the Trust and SIT3 for 100% of its trustee service revenue.

17. CONTINGENT LIABILITIES AND ASSETS

A contingent liability for \$565,237 (2019: \$565,237) exists in relation to a security deposit guarantee which is in place in relation to premises leased by the Fund. As trustee, the Company has a right of indemnity from the assets of the Fund in the event that this liability was payable (refer Note 15). There were no other contingent liabilities or assets as at the reporting date (2019: Nil).

18. EVENTS SUBSEQUENT TO REPORTING DATE

Impact of COVID-19

The COVID-19 pandemic has created unprecedented uncertainty. Actual economic events and conditions in the future may materially differ from those estimated by the Fund at the reporting date. In the event that COVID-19 impacts are more severe or prolonged than anticipated, the future fair value of the Fund's investments may be adversely impacted. The Directors have assessed the events subsequent to year end up to the date of signing these financials statements and determined that no adjustments or additional disclosures are required.

QSuper

On 4 March 2020 the Company as Trustee for the Fund and QSuper announced the signing of a Memorandum of Understanding (MoU) to enter into a period of exclusive due diligence to explore a merger. Any potential combination that arises will be subject to the Trustees of each fund in determining the agreed structure, whether it is in the best interest of its members. This includes appropriate regulatory approvals and passage of enabling legislation. At the date of signing these Financial Statements due diligence is still in progress.

Except as disclosed above, there have been no other matters or circumstances since 30 June 2020 that have significantly affected or may significantly affect the Company.
